Super Session Series

Backspin

Number 10

To close out the Super Session Series for 2017, Croydon invite players and coaches to come and learn about BACKSPIN.

Session “Number 10” will be delivered by none other than Mr “Super Chop” himself, Brian Berry.

Brian is famous for combining vicious sidespin chops with seriously disguised “floats” followed up by the “spinniest” and “whippiest” forehand loop in the land (all in one rally!).

As one of only a handful of Level 3 Coaches in Australia, Brian is well placed as an expert on how to impart & effectively play against backspin. So come & let Brian spin you a tale.
